### Opis produktu

**Debut release of this Nordic black metal duo consisting of Vexd (Odiosior, To Conceal the Horns, ex-Alghazanth) and lead vocalist/drummer Skymion. Five tracks that bring fresh nuances to Finnish BM sound drawing influence from the olden days and the olden ways.**

**"It's packed with piercing riffs and sparkling leads, and the layering of the guitars make an electrifying impact. A great discovery." (No Clean Singing)**
